Guided Tour through the historic mill

You will experience a piece of technological history up close - as soon as our miller presses the start button, a jolt goes through the imposing building: the mill starts up with a groan. Soon, a rhythmic humming sounds, the belts whir, the machines shake and vibrate as they did a hundred years ago. You dive into the world of industrialization and marvel at how one of our most important aliments is created: The flour!

Additional costs for an apéro in the bakery: rental (cleaning incl.) 100.–/h
Drinks and apéro dishes can be preorderd
(see the offer at Bakery Rentals at www.muehlerama.ch)
